NOTICE OF INTENT TO AWARD RFQ for Application Development and Technical Support Services

The Electronic Services System has completed the evaluation of all proposals submitted in response to the RFQ Number: ESS-202101 for Application Development and Technical Support Services published on April 12, 2021. The RFQ included the following statement regarding the award notice and acceptance period.

2.29 Award Notice and Acceptance Period

Notice of Intent to Award the Contract(s) will be sent to all Respondents submitting a timely Proposal and may be posted at the website shown on the RFQ cover sheet. Negotiation and execution of the Contract(s) shall be completed no later than thirty (30) days from the date of the Notice of Intent to Award or such other time as designated by the Agency. If the successful Respondent fails to negotiate and deliver an executed Contract by that date, the Agency, in its sole discretion, may cancel the award and award the Contract to the remaining Respondent the Agency believes will provide the best value to the Agency.

Based on its evaluation of all proposals, the ESS announces its intent to NOT award contracts for Technical Support Services. None of the respondents fulfilled the minimum requirements for the general category of “Technical Support Services”.

Based on its evaluation of all proposals, the ESS announces its intent to award contracts to the following service providers for Application Development Services.

Lean TECHniques

We Write Code

This Notice of Intent to Award is subject to the execution of a written agreement and Statement of Work and, as a result, this Notice does NOT constitute a commitment by the Electronic Services System to award a contract. No Respondent shall acquire any legal or equitable rights regarding the Contract unless and until the Contract has been fully executed by the successful Respondent and the Electronic Services System.

Questions about this notice should be directed to the Issuing Officer.
